

Social Work Connections for Disaster Recovery

The Rebuilding Lives Post-Disaster Partnership and Alberta Resilient Communities Project invite you to learn about disaster recovery in Alberta and internationally. Invited researchers will share their research findings drawing from provincial, national, and international disaster recovery efforts, and highlight the role of social workers in prevention, preparation, emergency relief, and long-term recovery.

The workshop will feature the realities and challenges of disaster recovery for individuals and community across the lifespan, discuss 'green social work' approaches, and build emergency preparedness skills.

Thursday, March 30
8:30 A.M. – 4:00 P.M.
BMO Centre, Mustang Room
20 Round Up Way SW, Calgary

The workshop fee is \$25.00 for all participants and will include refreshments and a light lunch.
