

TOGETHER... THE COURAGE FOR CHANGE

ACSW is hosting our 3rd Annual Wellness Fair during the conference welcome at the 2017 Annual Conference in Calgary at the BMO Centre, Stampede Park. We want to offer social workers an evening of relaxation, learning and fun. Social workers will have the opportunity to move around the room visiting the wellness fair booths.

ACSW would like to invite social workers to highlight the skills and talents they have in addition to their social work skills. We are looking for people with knowledge and talents in creative expression and art as well as general wellness such as massage, esthetics, health or other. Some popular booths from conferences past include yoga, reiki, massage, manicures, dance, art projects, and nutrition.

We would like to offer social workers the opportunity to participate in hands on activities that will enhance their personal and professional wellness as well as potentially give them tools to take back to their workplace.

If you have certification or abilities in these areas and would be interested in sharing them with approximately 300 social workers from around Alberta, please email Heather Johnson at heatherj@acsw.ab.ca

Please submit the following information by February 21, 2017:

1. Your name, company name, and contact person
2. A brief biography
3. A brief description of what you would like to offer to the social work participants
4. Booth space requirements including tables and chairs. Please let us know if you would like to request WIFI, electricity, or any other requests- we will do our best to accommodate them
5. If you have a product that you would like to sell as part of your booth, please identify what it is and how it is tied to wellness, health, and self-care as well as the activity you are offering at your booth

You will be notified the week of March 6, 2017 if you are selected to have a wellness booth.

Please note that participation in the wellness fair is voluntary and ACSW is unable to cover any costs associated with your attendance and participation.

Thank you for your interest. If you have any questions, please contact Heather Johnson at heatherj@acsw.ab.ca
